Message From the Board

By Jess Blocker

Thanks to Messrs. Ron Hanson and Wayne Burton volunteering their time and energy, your Board of Directors is in a much more comfortable position than when our last newsletter went out. We do, however, have one vacancy left to fill, and we are not out of the woods. Three of our Board members' terms expire in May 1998, when elections will be held.

Messrs. Bob Lloyd and Jake Rupley have volunteered to serve on our Architectural Review Committee. We need at least one more member on the ARC and two Timber Management Committee members.

Our roads are in the process of being graded and/or repaired. Please remember - the faster we drive on wet roads, the sooner new pot holes are created to beat up on our vehicles. Most of us do drive quite sensibly, but it is easy to speed up on smooth roads! If you have any questions or concerns regarding their repair/maintenance, please contact Paul Peloquin, 623-3642.
