Nominating Committee

David Haught 623-6180
Ron Hanson 623-3567

positions on the Board of Directors filled. The flip side is all terms expire at our May '98 meeting (next month). It would be great to have some candidates opposing us for election. However, our Nominating Committee has been unable to find residents who are willing to get involved. If you are interested in helping our community, please contact our nominating committee or any Board member - or, just show up at the May meeting and nominate yourself. Please don't feel slighted if you were not contacted, as it was impossible for our Nominating Committee to contact every resident.

A Reminder

Just a reminder, folks! All the people serving you on the Board and various committees are not being paid for their time. None receives a salary or any other compensation.

ARC/Timber Management

A reminder - all construction plans must be approved by the County and the SLEHA Architectural Review Committee prior to beginning work. Please contact the ARC/Timber Management Committee or any Board member at the address or phone numbers listed at the top of this newsletter for information or request forms.

Timber Management will be generating a revised Timber Removal Request form that will be more specific about requirements and easier to understand.

NOW IS THE TIME TO CLEAN UP
AND BURN SLASH,

Road Committee

If you have any questions or concerns regarding road repair/maintenance, please contact Paul Peloquin, 623-3642.

Message From the Board

By Jess Blocker

PLEASE READ!!

Our semi-annual membership meeting will be held on May 12, 1998. Please join us at the Spirit Lake Elementary School gym. If you can't attend, please assign your proxy to someone else or to the Board. Your proxy serves two purposes. It helps establish the quorum required for the Board to conduct business, and it allows you to vote, through your selected representative, on the issues presented by your Board.

For the first time in at least a year, we have all

Weed Control

Jake Rupley has generously volunteered to spray our roads this spring. He is a professional with a truck and proper equipment. The only cost to the Association will be for the material. Anyone wishing to hire Jake to do weed control on their property can call him at 623-4081.

Highway Cleanup

The spring cleanup of Highway 54 will be on Saturday, May 16. We will be meeting at the Coeur d'Alene entrance at 8:00 am. The more help we have the less time it will take. Last spring it took a little over two hours with about 20 people. Please - we need your help!

SLEHA Board of Directors

Monthly Meetings - All SLEHA property owners are invited to attend our monthly board meetings. They are held the second Wednesday of each month (7:00 p.m.) at the Senior Center in Spirit Lake. If you have any questions, please contact any board member.
