

SLEHA GAZETTE

July 1998

Volume 1, Issue 1

Message from the Board

Our neighborhood gathering on August 1 was really great. We had about 50 folks show up with some fantastic food. We all got to meet some of our neighbors for the first time. THANKS to David Haught and Debbie Burton for their time and energy to organize and make our First annual Spirit Lake East get-together a success.

Our semi-annual SLEHA membership meeting will be held November 10, 1998 at 7 p.m. in the new Spirit Lake Community Center. We will have chairs instead of bleachers to sit on and a more appealing meeting place. Let's try to overcrowd the place. It only seats 100+! If you cannot attend, please give your proxy to someone or send it to the Board.

Logging

Your Board of Directors is pursuing legal action on some property owners for logging in violation of our CC&R's.

ROADS

YOUR ASSOCIATION NEEDS YOU AND
SO DOES YOUR ROAD COMMITTEE!

Winter is just around the corner with the possibility of the white stuff arriving with it. What does this mean? It means that it will come and WE SHALL REMOVE! Your association road committee needs snow plow drivers. These are paid positions. The hours are on an

Don't Forget!

House building in SLE has been slow this year with only 2 started. However, we obviously have a desirable neighborhood. There have been several existing homes sold.

DONT FORGET

Semi-annual November 10, Spirit Lake Community center. 7 p.m.
